

Beaver SuperMoon Hike

Thursday, November 6, 2025

GENERAL LOCATION: SCLH

DIFFICULTY: Easy

HIKE DISTANCE: 5 miles

PACE: Moderate/Easy

DESCRIPTION: Easy 5.0 mile loop on paved Lincoln Hills preserve trails and neighborhood sidewalks.

Join us for a walk right here in Lincoln Hills. We'll watch the **full Beaver SuperMoon** rise over Mallard Pond as the sun is setting. Walk in the gloaming along the Orchard Creek Trail, past Secret Lake, cross Del Web Blvd. to Orchard Creek South Trail to Mallard Pond. Once there we'll watch the Moon Rise and have a snack. If we're lucky we may even spot beaver or mink cavorting in the moon glow. Our return will have an Uphill incline on Ridge Top Lane to Tallac and downhill on Fallen Leaf and back to Orchard Creek. The walk back will be in the dark, with some help from the street lights. Please bring a head lamp or flashlight for a safe return.

FACILITIES:

- NO RESTROOMS once we leave Orchard Creek.

PREPARATION FOR HIKE:

- Hiking boots not necessary but **wear sturdy shoes**.
- Bring headlamp or flashlight--full dark about 6:00 PM. Binoculars are good for moon viewing. Temperatures also drop quickly that time of night, dress warm.

LEADER/SWEEP: Marilyn McCullough and Gay Mackintosh/Tess Devenish

QUESTIONS: call Gay Mackintosh – 916-209-3628

MEETING TIME: 4:15PM in usual Orchard Creek far right lot. We will leave on foot promptly at 4:30 PM. Return between 7:00 – 7:30PM
